Learn to float

Bathing without feeling cold. Floating without exertion. Sometimes it's as sparkling as champagne. Sometimes it feels like the Little Mermaid's own featherbed. The hot springs are alive with underwater melodies, lights, and colors.

Learn to float at this magical place and grasp the true meaning of easy-going.

INDULGE

Wellnesspark – Whenever trends are confusing, expertise is all the more important. Well-being requires wellness beyond the ordinary.

Spa Lounge – Your individual experience is what it's all about. Treatments and products with great care and a sense of style.

Il Ristorante – Premium Italian Gelato? Subito! Light, Mediterranean fare that matches the flair of the hot springs! Buon appetito!

Beach bar – Directly on the bank of the Elbe and the Elbe cycle route – Cocktails, comfortable easy chairs (approx. 60 seats). Let your feet wallow in the sand!

HEALING

The sauna ...

... there's more to it than just hot or cold.

Ore sauna, log house sauna, laconium and much more – energy is flowing, pores are opening – spacious, tranquil, nature's own panorama.

Exclusive: the Saxon bathhouse with steam cubicle, bathtub and large massage bench in comfortable and rustic surroundings.
